

Self-Monitoring Expenses Subsidy for Non-local Undergraduate Students
(Extended Eligibility Period: 30 April 2022; Application Deadline: 31 May 2022)

Under the COVID-19 pandemic, students travelling to Hong Kong have to adhere to the Hong Kong SAR Government's boarding and quarantine requirements, including a self-monitoring period, if applicable. Please refer to the Government website at <https://www.coronavirus.gov.hk/eng/inbound-travel.html> for details of the requirements.

In order to support non-local undergraduate students who are affected by the self-monitoring policy, a non-means-tested Self-monitoring Expenses Subsidy for Non-local Undergraduate Students has been introduced to subsidize partial expenses incurred by the self-monitoring after the completion of compulsory quarantine.

Eligibility

To be eligible for the Self-monitoring Expenses Subsidy for Non-local Undergraduate Students (the "Subsidy"), applicants must:

1. be full-time non-local undergraduate students travelling to Hong Kong; and
2. have undergone the self-monitoring, as required by the Hong Kong SAR Government quarantine policy, in a commercial lodging (e.g. hotel) during the period from 1 August 2021 to 30 April 2022.

Students who are only required to undergo compulsory quarantine, but not the self-monitoring, are **not** eligible for the Subsidy.

Amount of Subsidy

1. The Subsidy will be capped at HK\$200 per student per day up to the entire mandatory self-monitoring period between 1 August 2021 and 30 April 2022.
2. Each non-local undergraduate student is only eligible to be considered for the Subsidy for one time during his/her entire study with the University.

Application Procedures

1. Applicants should complete and submit an online application via <https://cloud.itsc.cuhk.edu.hk/webform/view.php?id=13638403>.
2. Applicants have to upload (i) the vaccination record* applicable to the self-monitoring policy, (ii) the official receipt issued by the lodging facilities where the self-monitoring took place. Students who have lost the official receipt can provide alternative evidence (e.g. Endorsement / Land Slip issued by Hong Kong Immigration Department, flight ticket or passport copy showing the date entering Hong Kong) for consideration, and (iii) Compulsory Quarantine Order issued by the HKSAR Department of Health.
* Please provide the vaccination record as stipulated in the 'Documentary proof for completion of vaccination' at the Government website (<https://www.coronavirus.gov.hk/eng/inbound-travel.html>).
3. Applicants will be informed of the application results via CUHK @link email.
4. Deadline for application: 31 May 2022
5. Incomplete or late applications will not be considered.
