

## Self-monitoring Expenses Subsidy for Non-local Undergraduate Students

Under the COVID-19 pandemic, students travel to Hong Kong have to adhere to the Hong Kong SAR Government's boarding and quarantine requirements including 7-day self-monitoring, if applicable. Please refer to the Government website at <https://www.coronavirus.gov.hk/eng/inbound-travel.html> for details of the requirements.

In order to help non-local undergraduate students who are affected by the 7-day self-monitoring policy, a non-means-tested Self-monitoring Expenses Subsidy for Non-local Undergraduate Students will be launched to subsidize partial expenses for the self-monitoring after the completion of compulsory quarantine.
