China Oxford Scholarship Fund 2020/21

The China Oxford Scholarship Fund (COSF) awards scholarships to students from the People’s Republic of China, Hong Kong and Macau who have won a place for postgraduate studies at the University of Oxford. Successful candidates are those of the highest calibre studying in any subject. They are chosen for their academic excellence, financial need, leadership quality and their commitment to contribute to the development of China.

★ Value of the Scholarships

Up to 20 scholarships are awarded annually with amounts ranging from £1,000 to £20,000. The duration of these awards is for one academic year. All Awards are open to any subject. However, some have preferences for a particular area of study or a particular college at the University of Oxford.

★ Eligibility

To be eligible to apply to the COSF awards programme, a student must:
- be a Chinese citizen with a valid PRC passport, ordinarily resident in the People’s Republic of China, Hong Kong or Macau; and
- have an official or a conditional offer from the University of Oxford at the time of application.

Students who are already studying at the University of Oxford are also eligible to apply. However, preference is given to those who will begin their first year of graduate studies at Oxford.
