Below is the general information on these three scholarship:

**HSBC Greater Bay Area (Hong Kong) Scholarship 2021/22**

This Scholarship for 2021/22 exercise will be open for application in October 2021. Awardees of this Scholarship will receive an award of HK$80,000, and will also be offered learning opportunities (e.g. mentorship and internship) provided by Greater Bay Area-active businesses. To be eligible for this Scholarship, applicants must have a minimum cumulative GPA score of 3.0 or top 15% of class in the first term of 2021/22.

**HSBC Overseas Scholarship 2022/23**

This Scholarship for 2022/23 exercise will be open for application in October 2021. The Scholarship supports the selected candidates to spend a semester or an academic year of their studies as visiting students or exchange students at an overseas university in the academic year 2022/23. To be eligible for this Scholarship, applicants must be non-final-year undergraduates who have a minimum cumulative GPA score of 3.7 or top 3% of class (or equivalent) in the first term of 2021/22. The maximum total value for each scholarship is HK$300,000.

**Innovation and Technology Scholarship 2022**

This Scholarship for 2022 exercise will be open for application soon. Based on the 2021 exercise, this Scholarship will financially support non-final-year undergraduates, who are undertaking science-related bachelor’s degrees and preferably with a cumulative GPA of at least 3.3 (or equivalent), to participate in attachment programme(s) overseas and in Mainland China in the following academic year. In addition, the scholarship recipients will be offered an opportunity to join the mentorship programme, service project programme and local internship programme. The maximum amount for each award is HK$150,000.
