Scholarships to help shape the future of Hong Kong and China

Kwok Scholarships application is now opened!

Kwok Scholars Association (the Association), founded by Dr Walter Kwok Ping-sheung, offers **2 fully funded scholarships** per year for **graduate studies** at the **University of Oxford**. We seek talented and motivated Chinese individuals with a vision of improving the lives of others. Funding covers full course fees, a maintenance grant for living expenses and one return airfare. Scholarships are allocated based on **academic merit, financial need and commitment to serve the public with his or her expertise**.

Master of Public Policy is an intensive one-year taught degree that offers a distinctive approach to learning about public policy. You can participate in a diverse community, gain multidisciplinary education and benefit from a deeply applied learning.

Department of Politics and International Relations at Oxford is one of the largest in UK, it has translated into broad-ranging and influential research of today and that of the future. With **graduate study of Politics, Government and International Relations**, you have access to advanced training in research techniques and methodologies.

Oxford's **Environmental related graduate studies** are interdisciplinary and broad. You have access to countless research publications, dedicated cutting-edge laboratories and world-leading research groups to equip yourselves with skills to cope with future challenges in climate, energy, ecosystems and water.

MSc in Psychological Research provides a broad-based research training program in psychology. The Oxford psychology department is home to a number of current world-leading research groups and is supported by the state-of-art facilities.

Applicants must submit **application online** at the Association's website.

Deadline is **31st March**.
