陳廷驊基金會
THE D.H.CHEN
FOUNDATION

THE D. H. CHEN FOUNDATION is a Hong Kong family philanthropic trust established in 1970 by Dr. Din Hwa Chen, an ardent philanthropist and a devout Buddhist who also found the Nan Fung Group. The Foundation has been steering and supporting numerous innovative, impactful and sustainable community initiatives to enrich lives through its five strategies, namely “Initiate, Capacity Building, Innovate, Catalyst for Collaboration, and Impact-Driven”.

Aspiring to build a compassionate society and promote compassion - based values, the Foundation endeavors to put compassion into action through the work of our five Institutes - a realization of Dr. Chen’s philosophy -

“Care for others as well as
you would care for yourself”
